16th August 2009.

To: All Club Secretaries

Dear Sirs/Madam,

Following the decision made by the Football Association of Wales **not** to grant both Bangor City Reserves and Bro Goronwy Football Clubs promotion, it has been necessary for me to make further changes to the August fixtures and those listed for the 5th September 2009. Please accept my sincere apologies for any inconvenience caused. I am fully aware that some clubs have players working shifts and so on, but I hope you can appreciate that these further amendments were totally out of my control. These changes are listed below but I have also included them in the fully amended list that is also attached. I will endeavour to keep you informed of the appointed match officials but please contact me if you are having any difficulties as Mr Ron Bridges is having a few problems at this moment in time in having to juggle around some Referees.
